

The versatile Mirage OS³-Sat Omnipolar® satellite speakers are the perfect complement to any music or home theater system—you can use them as surround speakers, in the front, or even as a center channel.

With their timeless high-gloss black or white finishes, these elegant speakers enhance any room. And, despite their compact size, they outperform much bigger units, provide big, immersive sound. With the included wall and ceiling mounting brackets, they go almost anywhere.

Exclusive Omnipolar® technology benefits:

- Immersive 360° audio entertainment; wherever you go, the sound follows
- Perfect balance of direct and reflected sound, for accurate, realistic listening
- Placement versatility without sacrificing performance
