

The **AV8900H** Headrest Monitors elevate the in-vehicle entertainment experience. Each Factory-match headrest comes with capacitive touch controls, integrated 8.0" LCD Hi-Def displays, HDMI input for smart device connectivity to stream video via a WiFi connection, auxiliary input for external sources, full system controls, 2-way up-down tilt, all-channel FM transmitter to play audio through the vehicles sound system, a second auxiliary input for video game consoles and outputs for additional screens.

HDMI CONNECTIVITY

STREAM LIVE PROGRAMMING INTO THE VEHICLE AND WATCH CRISP VIDEO ON THE SYSTEMS HD DISPLAYS. HDMI INPUT CONNECTS YOUR MEDIA SOURCE DEVICE (SMARTPHONE, TABLET OR OTHER HDMI DEVICES LIKE GOOGLE CHROMECAST, ROKU STICK & AMAZON FIRE TV STICK) TO STREAM VIDEO VIA WIFI CONNECTION. A USB PORT IS INCLUDED AS A POWER SOURCE OR FOR CHARGING SMARTPHONES. *NOTE: APPLE LIGHTNING OR ANDROID ADAPTORS ARE REQUIRED BUT NOT INCLUDED*

FLEXIBLE HDMI INSTALLATION

The HDMI harness allows for custom mounting. The added USB port is for charging only and supports 5V.

ADVANCED FEATURES

8-INCH HIGH RESOLUTION LCD DISPLAY – Enjoy your favorite movies, television shows, and music videos on an 8-inch High-definition LCD screen and experience them all in greater detail.

DIGITAL SYSTEM – Digital video signals from the DVD/CD/MP3 player, (1080p file format support | 480 playback resolution) HDMI, and USB inputs are passed on to the monitors in true digital form so what you get is the best quality picture possible from an in-car entertainment system.

CAPACITIVE TOUCH BUTTONS – Capacitive buttons create a clean tablet style look and enable quick access to commands and features with just a light tap of the controls.

USB INPUT – Load a USB device (up to 1 TB) full of movies, videos, and pictures for hundreds of hours of audio/video entertainment. The USB port supports file formats up to 1080P and provides true high quality 480P video resolution. The USB connection has an output of 2.5 amps for powering and charging today's most popular devices.

CONVENIENT MEDIA CONNECTORS – Whether you have a hard drive full of movies that uses a USB or a portable player with an HDMI output, the system is ready to accept different types of connections. The system includes HDMI input, USB input, Micro-SD input, Composite Video input, 3.5mm Aux input and A/V output.

HDMI CONNECTIVITY – The HDMI input allows you to hook up your smartphone®, Amazon® Fire TV Stick™, Roku® Streaming Stick™, etc. Stream content directly into the monitors for endless entertainment, making every drive a fun drive (*must have WiFi connection). The system includes a long six foot HDMI/USB extension cable for hidden connectivity in a convenient area of the vehicle.

Note: Additional HDMI adapter for smartphone required and sold separately.

FITMENT – Matching factory headrests (shape, color, and seam). Available for major automotive brands. (See Headrest Guide for complete listing)

MATCHING FACTORY WARRANTY – The system is covered under the same bumper-to-bumper vehicle warranty.
