# A CODE TO LIVE BY

## INTRODUCTION

CODE ALARM dealers all know the code.

- Rule #1: Support a product you can count on.
- Rule #2: Get it from a brand that's got your back.
- Rule #3: Sell it for the kind of profit you deserve.

We're even implementing a whole new Dealer Direct program with a "zero tolerance" Internet policy. We want to make Code Alarm the most profitable security and remote start product line-up! That's been our code, and this year we continue with a whole lot more.

Our Team rebuilt the entire Code Alarm product line-up from the bottom up, giving our dealers the best of both worlds. We have a complete kit program of aggressively priced, high quality systems – and a component program that only requires two parts – the control module (3 choices: Security – Remote Start – Security & Remote Start) and your choice of over 9 different ways to control the system (1-Way, 2-Way LED, LCD, Long Range or Smartphone control). This makes for the ultimate in how you present the system choices in your store, allows for easy upgrades after the sale and all without carrying thousands of dollars of complete kit inventory.

Knowing the code is a lot more than creating an exciting program. We've created all new modules reducing the size by over 40%. Developed all new transmitters with consistent long range and a family look, integrated our FLCART data bus interface port for more installation options, and PC programming with the ability to update system firmware in the field. Not to mention introducing innovative new products like the Carlink Long Range system, that lets you control your system from a smartphone without any monthly or annual fees from over 1 mile away. Yes, the code to live by!

## TELEMATICS

## EXPAND YOUR REACH. Why not put your BRAND on REMOTE START?

### NEW TO CARLINK 6 CELLULAR & CARLINK LONG RANGE

You now have the ability to offer your customers a Remote Start APP with your BRAND allowing you to raise brand awareness and connect your customers directly with specials and promotions via customized push notifications.

### YOUR brand. Your APP.

TAKE YOUR BUSINESS TO A WHOLE NEW LEVEL BY OFFERING YOUR CUSTOMERS THEIR OWN BRANDED PERSONAL APP.

### THE BENEFITS OF GETTING YOUR OWN CUSTOM BRANDED APP:

- INNOVATIVE PRODUCTS**  
Offer unique connected products that will provide your customers with a new experience of connectivity between them and their vehicle.
- PERSONALIZED**  
Provided a more personalized experience to your customers.
- PROFESSIONAL**  
Get ahead of retailers who don't offer a Branded APP.
- BRANDED**  
Raise more brand awareness and get discovered in the market. Connect directly to you customers through customized push notifications.
- CONVENIENT**  
My Branded APP dashboard is easy to use and will create your custom APP in a simple breeze.

CAR:LINK™  
Long Range

CONNECT WITH CELLULAR 6

Professional Installation Required

### CAR:LINK™ 6 ASCL6

Cellular 6 offers today's most complete convenience and security solution. Cellular 6 transforms traditional smartphones into a virtual transmitter to communicate with vehicle when hardware is installed to allow smartphone app virtually unlimited range (based on cellular coverage) to operate remote start and security system.

- Remote Start/ Keyless Entry
- Door Lock/Unlock
- Door Lock Status
- Battery Voltage Status
- Vehicle Locator / GPS
- First Year Service Included

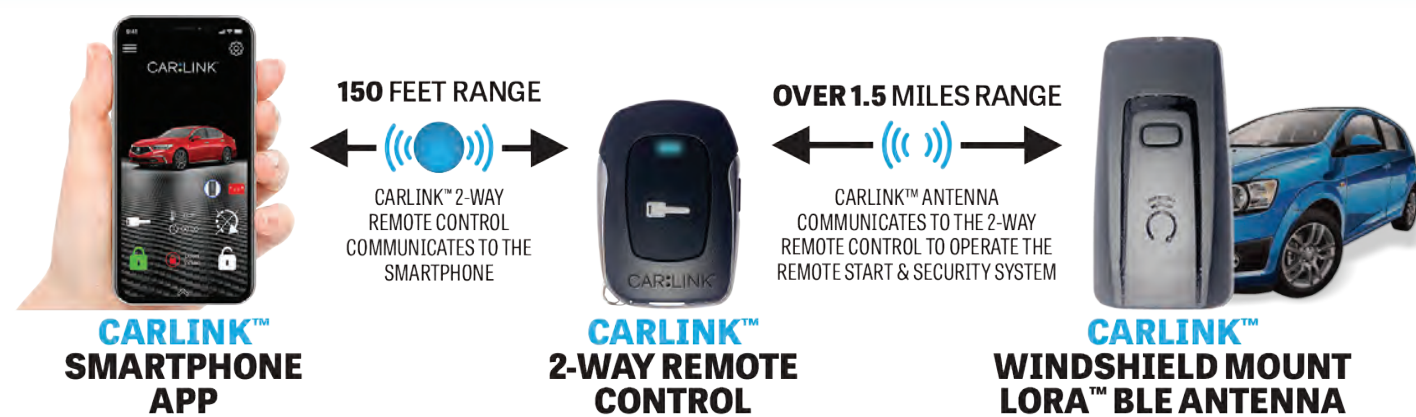

ASCL63YR included features above except 3 YEAR SERVICE INCLUDED.

### CAR:LINK™ ASCLBTLR

Long Range

CarLink Long Range communicates with 2-way remote (150' range) to windshield mount LoRa BLE for over 1 mile of operating range to operate remote start and security system.

- No monthly fees
- Rapid response – Command confirmation in less than one second
- Real time smartphone interaction
- Intuitive user display
- Alarm notification with zone identification
- True runtime mode
- Vehicle and transmitter battery level indicator
- Multi-vehicle operation

- 2-Way Remote with over 1 mile of operating range
- Micro USB rechargeable battery
- Alarm Notification
- Low Battery detection
- Multi vehicle operation

- True 2-way communications powered by LoRa technology
  - Compatible with most digital remote start and security systems
  - BLE Direct Connect pair up to (4) smartphones directly to transceiver
- Optional Basic Content Protection\***
- 3 axis accelerometer with shock sensor / Dual flashing LED's
  - (+/-) Door/Horn input / Horn output
  - Integrated valet/programming button

CODEALARM®

## SECURITY SYSTEMS

### Complete Kit

### ca1045 Security System

FLASHLOGIC™ 1,000  
ft. RANGE

Complete with Real Panic Sound Horn Honk (no siren included) and on-board shock sensor, the 1045 is a great entry level security system that can also be used for keyless entry.

- (2) 4-button 1-Way Transmitters
- RPS (Real Panic Sound) Horn Honk
- Hijack Mode
- Silent Choice
- Dual-Stage Shock Sensor (Lite Touch – Full Trigger)
- PC Web Based Programming
- Limited Lifetime Warranty

### ca1055 Security System

FLASHLOGIC™ 1,000  
ft. RANGE

Complete with an on-board dual-stage shock sensor and included high output siren, the 1055 offers excellent theft protection at a price that's hard to beat.

- (2) 4-Button 1-Way Transmitters
- RPS (Real Panic Sound) Horn Honk
- 125dB Weatherproof Siren
- Hijack Mode
- Silent Choice
- Dual-Stage Shock Sensor (Lite Touch – Full Trigger)
- PC Web Based Programming
- Limited Lifetime Warranty

### ca1155 Security System

FLASHLOGIC™ 1,000  
ft. RANGE

Our midrange security system is anything but average. Its Packed with features and includes on-board relays for door lock/unlock.

- (2) 4-Button 1-Way Transmitters
- 125dB Weatherproof Siren
- Hijack Mode
- Silent Choice
- RPS (Real Panic Sound) Horn Honk
- Progressive Car Find
- Dual-Stage Shock Sensor (Lite Touch – Full Trigger)
- (1) Auxiliary Output
- Web Based System Programming
- Limited Lifetime Warranty

### Component Program

### caSEC

FLASHLOGIC™

#### Upgradeable Security System

The CASEC component based security system is a complete full-featured security system – you simply add one of our transmitter kits to control the system. Giving you the ultimate in flexibility and profitability.

- Hijack Mode
- 125dB Weatherproof Siren
- Silent Choice
- RPS (Real Panic Sound) Horn Honk
- Progressive Car Find
- Dual-Stage Shock Sensor (Lite Touch – Full Trigger)
- (5) Auxiliary Outputs
- PC Web Based Programming
- FLCART Port / DBI Port Flashlogic ready
- Direct RF Transmitter Plug-in (Data Converter Not Required).
- Limited Lifetime Warranty

## REMOTE START/KEYLESS ENTRY SYSTEMS

### Complete Kit

### ca4055

#### Remote Start System

The compact design of its single-button transmitters makes the ca4055 a great solution for the consumer that wants a remote start only system.

- (2) 1-Button 1-Way Transmitters
- Glass-Mount Antenna with Built-in LED Light and Valet Switch
- Unlock Output
- DBI Port – Supports DBI and ADS Protocol
- PC Web Based Programming
- Limited Lifetime Warranty

CAR:LINK™

1,500  
ft. RANGE

### ca4555

#### Remote Start System

Our smallest 2-way command confirming system is both easy to use and easy to look at. The 2-way transmitter sports a mirror-finished cast alloy trim.

- (1) 1-Button 2-Way LED Confirming Transmitter
- (1) 1-Button 1-Way Transmitter
- Glass-Mount Antenna with Built-in LED Light and Valet Switch
- Unlock output
- DBI Port – Supports DBI and ADS Protocol
- Web Based System Programming
- Telematics Port – CarLink Ready
- Limited Lifetime Warranty

CAR:LINK™

1,500  
ft. RANGE

### ca5055

#### Remote Start & Keyless Entry System

A bestseller during the winter holiday season, the 5055 covers all the essentials at an attractive point, making it a highly desirable gift item.

- (2) 4-Button 1-Way Transmitters
- Door Lock/Unlock
- Trunk Release
- Glass-Mount Antenna with Built-in LED Light and Valet Switch
- Illuminated Entry
- RPS (Real Panic Sound) Horn Honk
- DBI Port – Supports DBI and ADS Protocol
- PC Web Based Programming
- Limited Lifetime Warranty

CAR:LINK™

1,500  
ft. RANGE

### Component Program

### caRS

#### Upgradeable Remote Start/Keyless Entry System

The CARS component based remote start / keyless entry system is a complete full-featured remote start system – you simply add one of our transmitter Kits or Telematics kits to control the system. Giving you the ultimate in flexibility and profitability.

- Door Lock/Unlock
- Trunk Release
- RPS (Real Panic Sound) Horn Honk
- Progressive Car Find
- (1) Auxiliary Outputs
- Manual Transmission Mode
- PC Web Based Programming
- FLCART Port / DBI Port Flashlogic ready
- Direct RF Transmitter Plug-in (Data Converter Not Required).
- Telematics Port – CarLink Ready
- Limited Lifetime Warranty

CAR:LINK™

## REMOTE START & SECURITY SYSTEM

### Component Program

### caSECRS

#### Upgradeable Remote Start & Security System

The CASECRS component based remote start & security system is a complete full-featured remote start & security system – you simply add one of our transmitter Kits or Telematics kits to control the system. Giving you the ultimate in flexibility and profitability.

CAR:LINK™

- Hijack Mode
- 125dB Weatherproof Siren
- Silent Choice
- RPS (Real Panic Sound) Horn Honk
- Progressive Car Find

- (5) Auxiliary Outputs
- Turbo Timer
- Manual Transmission Mode
- Web Based System Programming
- FLCART Port / DBI Port Flashlogic ready

- Direct RF Transmitter Plug-in (Data Converter Not Required).
- Telematics Port – CarLink Ready
- Limited Lifetime Warranty

## TRANSMITTER KITS

For Component Base Systems | Flashlogic FLRSBA | Flashlogic Data Start

### ca1B6

#### 1-Way Transmitter Kit

- (2) CATILR One-Way Remote Controls
- (1) 4180065 Antenna
- (1) 4120388 Antenna Harness

### ca1BTW6

#### 2-Way LED Transmitter Kit

- (1) CATITW6 Two-Way Remote Control
- (1) CATILR One-Way Remote Control
- (1) 4180064 Antenna
- (1) 4120388 Antenna Harness

### ca4B5

#### 1-Way Transmitter Kit

- (2) CAT4M One-Way Remote Controls
- (1) 4180065 Antenna
- (1) 4120388 Antenna Harness

### ca2LED5

#### 2-Way LED Transmitter Kit

- (1) CATMLED Two-Way Remote Control
- (1) CAT4M One-Way Remote Control
- (1) 4180064 Antenna
- (1) 4120388 Antenna Harness

### ca2LCD5

#### 2-Way LCD Transmitter Kit

- (1) CATLCD Two-Way Remote Control
- (1) CAT4M One-Way Remote Control
- (1) 4180064 Antenna
- (1) 4120388 Antenna Harness

ASCL6  
Carlink Cellular with  
virtually unlimited  
operating range

## ACCESSORIES

Add additional protection with extra layers of protection. Protect against "smash and grab", protect your expensive wheels and tires, surround your vehicle with a force field to alert you before the thief even enters your vehicle and much more.

### duB1

#### Digital Tilt Sensor

Enhances protection from towing and wheel theft. Registers the angle of the vehicle and triggers the alarm if the angle changes.

### caGBS

#### Glass Break Sensor

Enhances protection from glass breaker tools. Uses a sensitive microphone to detect the sound of shattering glass.

### mBS

#### Battery Backup Siren

Incorporating a backup battery, this siren will continue to produce noise even if its power connection has been cut.

### asWRP

#### Window Control Module

Interfaces select CODE ALARM systems with a vehicle's power windows, enabling remote window control.

### mV3

#### Dual Zone Microwave Sensor

The most reliable vehicle intrusion sensor on the market today. Detects moving objects within the vehicle using a unique RF technology. Ideal for convertibles.

For a complete list of accessories and transmitter compatibility chart, see our Full Line Voxx Retail Catalog.

## POWERSPORTS VEHICLE PROTECTION

### PowerSports Security System

The Prestige Powersports Security system was developed for motorcycles, ATVs, boats, snowmobiles and other vehicles open to extreme conditions. The APSPS1 compact design is waterproof and IP65 rated. The system features (2) micro sized 2-button waterproof remote controls.

The APSPS1 also includes a closed loop trigger that can be used for protecting items like helmets. Once the closed loop trigger is broken, the system will activate. Additional features include an on-board tilt & shock sensor, extra trigger input, and (1) auxiliary output.

### APSPS1

- Compact, Water-resistant Security System for Motorcycles, ATVs, Boats, and more
- (2) Micro Two-Button Waterproof Remote Controls
- On-board Tilt and Shock Sensor
- Mini Water-resistant Siren
- (1) Additional Trigger Input
- (1) Auxiliary Output
- Loop Trigger for protecting Helmets, etc. - if loop is broken, system triggers

### PowerSports GPS Recovery System

The Prestige Powersports GPS Recovery system was developed for Motorcycles, ATVs, Boats, Snowmobiles and other vehicles open to extreme conditions. The PSSVR1 compact design is waterproof and IP67 rated.

The Prestige Powersports GPS Recovery system includes the Prestige SVR App so users can locate their vehicle directly from their smart phone.

### PSSVR1

- Compact, water resistant GPS system for motorcycles, ATVs, boats, and more
- TrailTrax - 4G nationwide coverage with virtually unlimited range
- Smart phone notifications
- Built-in Tow (movement) Alert
- Built-in Tilt sensor
- Low battery notification
- Locate your vehicle if stolen
- Includes 1 Year of unlimited use

## ABOUT VOXX INTERNATIONAL CORPORATION

VOXXSM International Corporation (NASDAQ:VOXX). The Company that began as Audiovox over 45 years ago has become a worldwide leader in many automotive and consumer electronics and accessories categories, and now into premium high-end audio. The Company's brands hold leading market positions across a wide-spectrum of consumer and automotive segments.

Today, VOXX International is a global company with an extensive distribution network that includes some of the world's Fortune 500 companies and an international footprint in Europe and Asia, and a growing brand portfolio, which is now comprised of over 30 trusted brands including Advent®, Audiovox®, Rosen®, Invision®, Movies to Go by VOXX®, CarLink®, Code Alarm®, Prestige®, Pursuit®, Flashlogic®, CrimeStopper, Omega®, Klipsch®, RCA®, Acoustic Research®, 808®, Jensen®, Eyelock®, Jamo®, Energy®, Mac Audio®, Magnat®, Heco®, Schwaiger®, VOXX Automotive and Oehlbach®. VOXX also has partner relationships with some of the biggest brands, 360®, Singtrix®, Striv®, Project Nursery®, Gentex®, No-Photo, Look-it®, and SiriusXM®. The Company continues to drive innovation throughout all of its subsidiaries, and maintains its commitment to exceeding the needs of the consumers it serves.

For additional information, please visit our website at [www.voxxintl.com](http://www.voxxintl.com)

Vision Zero Automotive Network is a 501(c)(3) non-profit entity dedicated to educating and encouraging the saving of lives through the addition of life saving technologies in existing vehicles.

VOXX International and all of its family of brands are committed to helping save our environment. To that end, all printed materials produced by us are printed on recyclable paper using only biodegradable ECO friendly coatings. We use soybean rather than petroleum based inks. Our printing presses have "Purge on Press" capability; use no alcohol and therefore result in no vapor pollutants in the air.

### IMPORTANT SAFETY NOTICE

It is unlawful in most jurisdictions for a person to drive a motor vehicle which is equipped with a television viewer or screen that is located in the motor vehicle at any point forward of the back of the driver's seat, or that is visible, directly or indirectly, to the driver while operating the vehicle. This product should only be installed to the rear of the back of the driver's seat where it will not be visible, directly or indirectly, to the operator of the motor vehicle. In addition, the state of Rhode island forbids the installation of such a device in a motor vehicle.
