EZ2100 Series RCA Small Wonder Camcorder
www.rcaaudiovideo.com

Congratulations on purchasing your new RCA Small Wonder Camcorder.
Please read these instructions for quick tips on using the product.

The User Manual PDF file can also be found in the CD ROM under the User Manuals folder.

1. Content of the box

- Small Wonder Camcorder
- USB cable
- AV cable
- Quick Start Guide

- Carrying pouch
- Wrist strap
- Memory Manager CD rom
- AC/DC adaptor

2. Charging your camcorder

Please charge the battery for at least four hours before first use.
NOTE:
The unit is properly charging when you see the animated charging symbol on the camcorder display.
If you do not see this charging symbol, follow these steps:
1. Use the included USB cable to connect the camcorder to the AC/DC power adapter. **OR** you may also connect the camcorder to the computer USB port through USB cable, and make sure the computer is turned on.
2. Press and hold the camcorder power switch to the ON position to initiate charging.
USB port of your computer

Lift up the cover

OR

Use only the provided AC/DC adapter

## 4. Inserting (or removing) memory card

An SD memory card (not included) is recommended for recording.

Lift up the cover

To insert card: Push the card in until a click is heard

To remove card: Push card in until a click is heard, then slowly release the card. As card is under minimal tension when locked in memory slot, please use care when removing.
5. Turning on the camcorder

There are three basic modes for operating the camcorder: Video preview mode, Photo preview mode and Playback mode. It will always launch in video preview mode after being switched on. Refer to the diagram below for switching between modes.

Press and hold until the camcorder turns on or off

⦿ Switch on

Press 🎥/📷 **MODE**

Video preview mode [1]

Photo preview mode [2]

Press 🎥/📷 **MODE**

Press ►‖

To end Playback mode, simply press **RECORD** ● which will then return the camcorder to Video preview mode

Playback mode

[1] In Video preview mode, press **RECORD** ● to record a video
[2] In Photo preview mode, press **RECORD** ● to record a photo
6. Selecting recording quality

Selected recording quality
Battery indicator
Memory card indicator

READY 🎥 HD
Time Left 00:59:00

Settings	Resolutions (pixel) & Frame Rates (FPS)	Approx. recording durations on a 32 GB memory card [2]
HD	1280 x 720 @ 30fps	Up to 16 hours

9. Installing RCA Memory Manager application

Connect the camcorder to your PC with the provided USB cable. Place the supplied CD-ROM in the CD-ROM tray.

To install Memory Manager 3
Windows: To access the Memory Manager 3 installer, go to **My Computer** (XP users) /go to **Computer** (Vista and 7 users) in the Start menu, find and open the drive letter associated with the CD rom and then double-click the **MemoryMgr3_Windows_Installer.exe** file to launch the installer. The RCA Detective application is installed with Memory Manager 3 and will automatically run the Memory Manager 3 application when your camcorder is connected to the PC.

Mac: To access the Memory Manager 3 installer, double-click the CD rom volume. Double-click the **RCAMacInstallers.dmg** disk image in the CD rom volume. Locate the **RCAMacInstallers** volume on the desktop and Double-click on it. Double-click the **MemoryMgr3 Mac Installer** file in the **RCAMacInstallers** volume to start the installation. After the Memory Manager 3 installation has completed, double-click the **RCA Detective Installer** file in the RCAMacInstallers volume to install the RCA Detective application, which will automatically run the Memory Manager 3 application when your camcorder is connected to the Mac.

> **To ensure that videos can be managed and played on your PC:**
> • Make sure to install the included Memory Manager application.

10. Learning more about the camcorder

Read the user manual for more information on the following:
• Using the ▤ button to setup the camcorder (including date and time)
• Viewing videos on TV
• Recording videos to VHS tape or DVD
• Connecting the camcorder to your PC
• Tips and troubleshooting
• Safety and warranty information
